Sunrise Family Resource Center

Strengthening Families

Sunrise Family Resource Center was founded in 1969, belongs to the Parent Child Center (PCC) Network of Vermont, and is the only PCC in Bennington County. Over the past 50+ years, we have grown and adjusted to the everchanging needs of our community. **Sunrise's mission is "Strengthening Families".** We work in partnership with hundreds of individuals, families, and community members every year, to provide services that promote development through encouragement of strengths, expansion of opportunities, and support in times of stress. **Our vision is that ALL families have the strengths and resources to reach their full potential.**

As a PCC, we deliver a set of 8 Core Services including: home visiting, early childhood services, parent education, playgroups, parent support groups, concrete supports, community development, and information and referral.

Our Learning Together Program, is an alternative high school diploma program for pregnant or parenting youth up to the age of 24. Our Early Care & Education Program is a NAEYC-accredited 5 Stars child care program for infants and toddlers ages 6 weeks through 3 years. Our Youth Development Program serves youth, ages 14-23, as they transition from foster care to independent living. Sunrise is also the fiscal agent for the Children's Integrated Services (CIS), offers Child Care Referral services, and Child Care Financial Assistance. Our Family Advocacy Program is an intensive, home-based service for families at risk of having a child placed outside of the home and our Family Supportive Housing program reduces the incidence and duration of child and family homelessness.

Sunrise offers wrap-around services and the tools for individual and family well-being, so that those lives we touch are encouraged and motivated towards lifelong growth and development.

We support ALL human potential!
