Your weekly round

Play **nine holes any day during each league week**. Reserve **one hour** for your two-person team, with one team per bay. Book ahead, subject to availability. Members and guests of all skill levels are welcome. Register with a partner or join solo and we'll help you find a teammate. Each team completes one round per week.

The scramble and the prizes

Both players tee off and choose the best shot. Both hit again from that spot, repeating until the ball is holed. Record one team score for each hole. Your season includes 12 nine-hole rounds, **weekly prizes and season team awards**. See page 3 for points and season team payouts. League dates and weekly courses will be announced.

A 12-week commitment

Registration reserves your place for all 12 weeks. **$25 from each player's entry fee goes toward the prize pool.** All 12 weekly screen fees are due, even if you miss a week. Approved substitutes are welcome, and make-up rounds are subject to availability. Full league rules and the cancellation policy will be provided before you pay your entry fee.

Weekly results & ties

Points follow the weekly team finishing order under the league's playing format. Tied teams share the average of the points for the positions they occupy. For example, two teams tied for second earn **17.5 points each** (18 + 17, divided by 2). The next team finishes fourth.

Season standings

Count each team's **best 80% of official scoring weeks, rounded up**. In a full 12-week season, the best 10 scores count. Missed weeks earn zero and may be dropped. The highest counted points total wins the league.

Season tiebreaks

Using counted weeks, compare first-place finishes, then second-place finishes, then third-place finishes. Tied weekly finishes count at their shared position. Teams still tied share their placing and split the combined payouts for the positions they occupy equally. Places below third carry no payout.

Canceled weeks & final week

League-wide cancellations award no points and are excluded from the number of official scoring weeks. The final week uses the regular points table.
